October 18, 2022
12:00 p.m. - 1:00 p.m. ET

Webinar
Connection details and links will be provided after you register.
Note that time is in EST.

The Research and Teaching Records Exclusion

This is a special Nuts and Bolts webinar on a difficult but important subject – the teaching and research records exclusion in FIPPA. We'll address its scope and discuss practical points regarding processing requests for faculty records. The session is of direct relevance to those working in Ontario hospitals, colleges and universities and will also help other FOI practitioners deepen their understanding of the legislative framework.

Please respond by October 17, 2022.

If you have any questions about this event, please reply email RSVPEvents-National@blg.com.
