SITA to acquire Flightscape from CAE Inc. for more than C$700 million

BLG is acting as legal advisor to SITA in connection with its agreement to acquire Flightscape, the airline operations software business of CAE Inc.

Flightscape provides software solutions that assist airlines with flight planning, crew management, operations control and ground activity coordination. More than 90 airlines worldwide rely on the technology daily.

The transaction is expected to close in the first half of 2027, subject to customary closing conditions and regulatory approvals.
