Strengthening communities and inspiring generosity through strategic giving and the causes our people champion.

Giving back is who we are

Community investment is built into who we are at Borden Ladner Gervais LLP (BLG). As our unified charitable giving initiative, The BLG Foundation channels this collective impact through two pillars: driving systemic change nationally and empowering our people locally.

2026 Impact Recap: Big Brothers Big Sisters of Canada

A year to celebrate

What we achieved together with Big Brothers Big Sisters Canada (BBBSC)

Our inaugural strategic partnership with BBBSC delivered results that will strengthen communities across Canada for years to come.

BLG's investment helped BBBSC expand its reach, strengthen its network of agencies and connect thousands of youth with the support they needed to thrive.

Read the 2026 BBBSC Impact Report.

$250,000

committed to BBBSC in our landmark 2026 partnership

19

local BBBSC agencies supported across 5 regions

83%

of youth who attended BLG advocate mentoring sessions felt inspired to explore legal professions

Driven by our people

Supporting the causes our team champions

Whether firm members volunteer at a local shelter, serve on a charity board or raise funds for a charity with a personal connection, The BLG Foundation backs them by funding the charitable organizations they care about most.

Every quarter, our Donations Committee reviews nominations and directs financial support to the local charities where our team members volunteer their time.

Impact in action
