December 17, 2020

BLG was pleased to be one of the presenting sponsors of the 2020 Western Legal Innovation Forum. The following is a recorded presentation of the panel discussion, Navigating Canada's Changing Energy Landscape.

Alan Ross, Managing Partner BLG Calgary, joins speakers from Parkland Fuel Corp., Pinnacle Renewable Energy, LNG Canada, and Wolverine Energy and Infrastructure to discuss the emergence of renewables, shifting regulatory frameworks, investment in the resource sector, and how an informed legal advisor can be an vital team member.
