BLG invites you and your family to our Premiere Family Event at Studio Bell, home of the National Music Centre — a unique cultural destination designed to promote the love, sharing and understanding of music.

Enjoy a delicious pancake breakfast with family, friends and colleagues, then get ready to learn about the music of Canada as you take a tour of the collections and exhibitions at NMC, or participate with your children in fun activities organized by the museum experts.

It promises to be a great experience. We look forward to seeing you there!
