Investor - State Dispute Settlement

Investment disputes are legally complex, high-stakes proceedings. It's crucial to have international dispute resolution advocates and advisors with the expertise to protect your interests and achieve efficient, successful resolutions.

As Canada's pre-eminent arbitration law firm, our dispute resolution lawyers have acted for governments and companies in more than 30 ICSID and UNCITRAL investor-state disputes. Our disputes experience includes representing the Government of Mexico in many of its investment arbitrations, negotiating investment treaties on behalf of governments, and advising private sector clients on optimal foreign investment structures to take advantage of treaty protections.
