Success Stories

Cherie Mah

Partner, Banking & Financial Services Group

"I joined BLG as an articling student in 2009. My articling experience was incredibly positive. I received broad exposure to all the practice groups through a formal rotation. I was involved in a wide array of interesting and challenging transactions from start to finish and established a strong foundation for my legal skills. I also formed relationships with mentors, whom I keep in touch with to this day."
