BLG is pleased to share our comprehensive resource on mergers and acquisitions in the Canadian market.

*Mergers and Acquisitions in Canada* is presented in a Q&A format and addresses key questions related to:

- Pre-transaction acquisitions;
- take-over bids and plans of arrangement;
- key documents and agreements; and
- regulatory requirements.

The guide also covers:

- how the *Investment Canada Act* applies to acquisitions by non-Canadians; and
- what the *Competition Act* says about one's obligations when mergers take place.
