ADS Forensics completes sale to J.S. Held

On September 25, 2024, ADS Forensics completed its sale to global consulting firm J.S. Held, a portfolio company of Kelso & Co, to expand its Forensic Accounting practice into Canada. This transaction furthers J.S. Held's position as a leading consulting firm for the global insurance and legal communities.

Founded in 2010 to serve law firms and insurers across Canada, the ADS Forensics team provides specialized financial expertise in personal injury, medical malpractice, and wrongful death cases; commercial insurance claims and litigation; and accident benefit reports as legislated under the Statutory Accident Benefits Schedule.

BLG represented ADS with a team led by Stefan Timms that included Steve Suarez (Tax), Daniel Michaluk (Privacy & Data Security), Marc Vani (Corporate) and James Fu (L&E).
