Commercial Contracts

Nick is a corporate commercial lawyer that focuses on the energy sector and mergers and acquisitions.

Nick assists clients with share and asset transactions, minority investments, corporate reorganizations, and day-to-day commercial and transactional matters. He brings a practical, business-minded approach to his work and is able to incorporate energy-sector considerations where relevant.

Nick summered and articled at BLG before joining the firm as an associate.

Experience

- Counsel to WTFN Investment Holdings LP and its affiliates in connection with its formation and investment in OPG Financing LP and related participation in DNNP LP – a limited partnership established for Ontario Power Generation's BWRX-300 small modular reactor (SMR) project, the Darlington New Nuclear Project.
