12.	University of Calgary Faculty of Law	Arlene Kwasniak	Question of how exclusive federal legislative authority over inland and coastal fisheries under s. 91(12) of the Constitution Act, 1867 operates with respect to provincial legislative authority over water (s. 92(5)) and non-renewable resource management (s. 92A). More specifically, the project will explore Department of Fisheries and Oceans written policies concerning the enforcement of habitat protection under the federal <i>Fisheries Act</i> in cases where water use that impacts fish habitat occurs pursuant to a provincial water licence that was issued prior to the enactment of the <i>Fisheries Act</i> habitat protection provisions in 1977. It will also examine the federal interest in setting and maintaining instream flow requirements for the Athabasca system to protect fishery habitat in light of possible interference with the provincial exercise of exclusive jurisdiction over oilsands development under section 92A.	Rob Moyse
