Camille is clerking at the Ontario Superior Court of Justice in 2022/2023 and will be returning to BLG to article in 2023.

Prior to joining BLG, Camille worked in several roles in the Ontario Public Service. Most recently, she held the position of employment standards officer at the Ministry of Labour. Her other work experience includes acting as a consumer services officer at Consumer Protection Ontario, case management officer at the Licence Appeal Tribunal, and a correspondence writer at the Ministry of Health.

During her time at law school, Camille served as an associate editor of the Ottawa Law Review, competed in the Jessup International Law Moot, worked as a Research Assistant and was involved with the Women's Legal Mentorship Program.

Camille chose BLG because she wanted to work and learn alongside Canada's leading experts in business law. After meeting BLG's extraordinary team and learning more about the student program, it was clear BLG would offer a valuable student experience.

In her spare time, Camille enjoys cycling, hiking, skiing and travelling.
