Forge First Asset Management announces acquisition by CI Global Asset Management

On September 09, 2025, Forge First Asset Management Inc. ("Forge First") announced its acquisition by CI Global Asset Management ("CI GAM").

Forge First is the manager of two liquid alternatives mutual funds - Forge First Conservative Alternative Fund and Forge First Long Short Alternative Fund - as well as two limited partnership funds that are distributed through investment dealers, including all major Canadian bank-owned dealers.

The funds will continue to be managed by Keenan Murray and the rest of the Forge First investment team, with the added benefit of the resources, scale, and support of the CI Financial group of companies.

Following completion of the acquisition, Forge First will continue to operate as a separate business under its current name and continue to manage the funds. There will be no changes to the funds' objectives, strategies, fees, or liquidity terms.
