BIGG Digital Assets Inc. completes acquisition of TerraZero Technologies Inc.

On September 28, 2023, BIGG Digital Assets Inc. ("BIGG") (CSE: BIGG; OTCQX: BBKCF; WKN: A2PS9W), owner of Netcoins and Blockchain Intelligence Group, completed the acquisition of all of the outstanding shares of TerraZero Technologies Inc. ("TerraZero") not already owned by BIGG, for total consideration of approximately 62 million common shares of BIGG ("BIGG Shares"), valued at approximately \$20 million. TerraZero is a vertically integrated Metaverse development group.

BLG represented BIGG with a team led by Julie Bogle that included George Collister and Claudia Wheeler.
