The Canadian Competition Bureau released its market study report into technology-led innovation and emerging services in Canada's financial services sector public consultation. The study provides policymakers and regulators with helpful recommendations to encourage competition and innovation in Canada's financial services sector.

Join us as our guests from the Competition Bureau discuss the report and invite comment from industry attendees on how to increase competition and innovation in financial services.

Speakers:

- Leila Wright, Associate Deputy Commissioner of Competition, Competition Promotion Branch, Competition Bureau
- Doug Kreviazuk, President, D A K Financial Consulting Inc., Consulting expert for the Competition Bureau's FinTech Market Study
- Dominy Homan, Senior Competition Law Officer, Competition Promotion Branch, Competition Bureau
