Campbell Bolland

Summer Law Student

 LOCATION

Toronto

Campbell is a summer student at BLG's Toronto office for the 2025 summer term. Campbell brings an interdisciplinary approach to her work, combining her legal studies with experience in the financial services sector. She is focusing on business law.

As a law student, Campbell is passionate about her community. Campbell volunteered with Pro Bono Students Canada, supporting underserved women by providing legal resources. She also provides free legal services to local Kingston businesses, volunteering with Queen's Business Law Clinic. Prior to attending law school and joining BLG, Campbell worked for a major Canadian bank. Additionally, she spent a summer as a legal intern at one of Canada's largest financial infrastructure organizations.

Campbell chose to join BLG as she admired the firm's emphasis on innovation and its collegial culture. Throughout the interview process, she was struck by the authenticity and kindness of the people she met. The strong connections she built and sense of belonging she felt made BLG an easy choice.

In Campbell's spare time, you can find her at a pilates or spin class, discovering new restaurants, or walking her bulldog Tink.

Education

- J.D., Queen's University, 2026
- B. Hsc. Hons., Western University, 2022
