Van Elle completes sale of its Canadian Subsidiary

On December 19, 2025, Nottingham-based engineering group Van Elle announced that it had completed the sale of its Canadian operations to 1560169 B.C. Ltd, an SPV established for the purpose of this transaction by Canadian rail contractor Remcan Projects LP, a portfolio company of Canadian private equity fund, Yellow Point Equity Partners.

Under new ownership, Van Elle Canada is expected to have access to "greater local resources to pursue the considerable opportunities identified in Ontario and beyond, and to build on the progress made since Van Elle entered the Canadian market in 2023".

BLG represented Van Elle with a team led by Stefan Timms that included Salvador Pimentel, Jordan Kay, Karen Jung, Indy Anderson, Merrit Loh and Ian Hunter (Corporate); Robert Biggar (Tax); Gautam Dhillon (Construction); Éléa Hardy-Charbonnier (FSG); and James Fu (L&E).
