Dillon Lee

Summer Law Student

 LOCATION

Toronto

Dillon is a summer student at BLG's Toronto Office for 2025 summer term. She is focusing on business law.

Prior to studying law, Dillon worked as a clinical pharmacist, providing direct patient care during the COVID-19 pandemic. She later transitioned to work as a compliance resident in the Ethics & Business Integrity department and an internal auditor for a global pharmaceutical company.

Dillon chose to work at BLG because of the firm's comprehensive healthcare and life sciences legal services. Dillon also greatly enjoyed meeting the many incredible and kind people at BLG during the recruitment, which further reaffirmed the firm's strong reputation for student mentorship.

In her spare time, Dillon enjoys exploring new travel destinations. Her curiosity about the world led her to visit 11 countries in 2024 and meet friends across the world.

Education

- Pharmaceutical Industry Residency Program, University of Toronto, 2023
- Accredited Canadian Pharmacy Residency, University of British Columbia, 2021
- PharmD, University of Alberta, 2020
