You will be paired with a lawyer who will go through your CV and practice some interview questions with you. Receive valuable feedback and coaching to help you in your application. Afterwards, join us for a reception where you can interact with our lawyers and find out what they like most about their practices and what makes BLG unique. Our articling students will also be in attendance, and having experienced the recruitment process first-hand, are a great source of information and will be able to answer all your questions about the BLG summer experience and what our student program can offer you.

This event is open to 1L students who are enrolled in a dual degree in law and business.

Limited space available; please be sure to register early.
