Connection details will be provided after you register.
Please note that time is in ET.

Please join us again for the fourth session of our 5-part webinar series curated for the Association of Power Producers of Ontario (APPrO) on navigating legal issues facing the energy sector.

For this session, BLG's Cherie Brant will discuss how industry developers can best navigate Indigenous participation in the energy and infrastructure sectors to meet the goals, needs and interests of First Nation, Inuit and Métis governments who must be consulted on major projects.

Topics include:

- How participation models are trending and evolving
- Key elements of successful partnerships
- Where things are going and the future of the market

Want to participate? Please submit any ideas, suggestions or questions you would like addressed through the RSVP form.

Upcoming Session – please mark your calendar for our final session in this series: Best practice in contract administration—Tips on how to mitigate litigation | November 30

Please respond by Tuesday, September 13.

If you have any questions about this event, please contact Heaven Melo at RSVPToronto@blg.com.
