As a Summer Law Student, Ethan is assisting lawyers on a wide variety of tasks within our Business and Disputes groups.

Over the past year Ethan has volunteered as an editor with the Queen's Law Journal and was a finalist in the Hicks Morley Labour and Employment Moot. Throughout his Commerce undergraduate degree at Dalhousie, he interned in a wide variety of roles in the public and private sector.

Ethan chose BLG because of their national reputation combined with its strong local presence. The firm, and its lawyers, continuously set the bar higher and deliver top caliber results. On top of that, the culture and people at BLG are second to none.

Ethan can be found checking out the great golf courses in the Calgary area or running along the Bow River Pathway.
