Nuhamin (Nunu) Mequanint

Summer Law Student

LOCATION

Toronto

Nunu is a summer student at BLG's Toronto office for the 2024 summer term. She is focusing on business law.

Nunu is in her fifth year of the JD/HBA program at Western University. This past year, Nunu was President of the Ivey Law Club and Co-Chair of the Western Law Orientation Week Committee. Within the broader Western community, she has previously served as President of Beyond the Books and ACE Western. Outside of school, Nunu spent six years volunteering with the London Public Library in a children's literacy program. Prior to joining BLG, Nunu held summer analyst positions at a pension plan and a leading Canadian bank.

Nunu chose BLG because of the firm's collaborative culture and welcoming atmosphere. During the recruitment process, Nunu was impressed by the high caliber of lawyers she met, and BLG's commitment to providing students with opportunities to gain meaningful experiences across a diverse range of practice areas.

In Nunu's spare time you can find her reading fiction novels, starting a new knitting project, and re-watching her favourite sitcoms.
