Financial institutions (such as credit unions, banks, and trust and loan companies) and participants in the asset management industry (including investment funds, fund managers, dealers, portfolio managers, and custodians) are subject to compliance obligations under Part XVIII (*Foreign Account Tax Compliance Act* or FATCA) and Part XIX (Common Reporting Standard or CRS) of the *Income Tax Act* (Canada).

The Canada Revenue Agency is actively auditing financial institutions to assess their compliance with their FATCA and CRS obligations (and potentially assessing penalties for any non-compliance).

Compliance professionals at all types of financial institutions are invited to join BLG and its lawyers for a lunch & learn session on Tuesday August 1, 2023.

The agenda is as follows:

12:00 – 12:15 pm | Registration

12:15 – 1:15 pm | Discussion on current FATCA and CRS issues including

- (i) recent changes and updates to FATCA and CRS compliance
- (ii) best practices for FATCA and CRS compliance
- (iii) preparing and surviving a CRA audit.

We look forward to seeing you in person at BLG's Vancouver office.

Please respond by July 27.

If you have any questions about this event, please email Caitlin Jennings at RSVPVancouver@blg.com.
