Arielle is an articling student at BLG’s Toronto office.

As a law student, Arielle was a member of the Admissions Committee for the University of Toronto Faculty of Law, led the Peer Mentorship Program, served as a program ambassador, and acted as secretary for the Students’ Law Society. Prior to joining BLG as a summer student in 2024, Arielle worked at a leading global real estate investment and asset management firm.

Arielle chose to work at BLG after having such a positive experience during the interview process. She was also excited about the unique opportunity to explore a variety of practice areas through BLG’s summer and articling programs.

In Arielle’s spare time, she enjoys running, rock climbing, and learning new languages.
