Jessica is an articling student at BLG's Calgary office for the 2021-2022 term. Jessica performs a variety of tasks related to disputes and corporate matters, with a particular interest in securities law.

During law school, Jessica worked as a student caseworker at Student Legal Assistance and was involved in the Consent Project for Pro Bono Students Canada. Jessica worked as a first year summer student at BLG and at TC Energy during her second year summer.

#### Back

Jessica chose BLG because of the emphasis the firm places on entrepreneurialism and mentorship. BLG fosters an environment that both supports and challenges students. The firm encourages students to explore their interests and allows them to contribute meaningfully on complex files.

In her free time, Jessica enjoys traveling, playing softball, and attempting to master new recipes in the kitchen.
