For this year's annual "Cocktail Connexion" networking evening, BLG's Young Professionals Committee would like to invite you to discover Le Livart, a contemporary art gallery specializing in the exhibition of works by budding local artists. Come and network with colleagues and friends and meet dynamic young business professionals as you explore works by Montréal artists within a heritage building. Le Livart occupies the former premises of the Oratoire du Rosaire et de Saint-Judge, a building distinguished for both its historical value and its architectural beauty.

Delicious hors-d'oeuvre and cocktails await you!

We look forward to you joining us for what is sure to be an outstanding event.
