CPD Information

BC | This course has been accredited for 1.0 hour. Course name: What you need to know: Investment Fund Regulation in 2022. Course number: N03032022.

ON | This session is eligible for up to 1.0 Substantive Hour.

QC | Please note, the concept of "recognition" or "accreditation" has been abolished. By doing this, the Barreau is trying to make it easier for lawyers to claim mandatory CLE credits without a formal accreditation process. It is now up to individual lawyers to determine the eligibility of a training activity and to declare the hours in their "Dossier de formation en ligne".
