WiRE Calgary Networking Event Featuring
Minister Shannon Phillips

BLG's Electricity Markets Group has partnered with Women in Renewable Energy (WiRE) to advance the role and recognition of women in the energy sector.

We are very pleased to host WiRE Calgary's Networking Meet-Up featuring guest speaker Shannon Phillips, MLA for Lethbridge-West, Minister of Environment and Parks and Minister Responsible for the Climate Change Office. Our BLG Partner, Melinda Park, will be delivering the welcome address.

If you have any questions about this event please contact Kent Howie, Melinda Park or Bernadette Corpuz.
