PODCAST

## New Opportunities in the Alberta Electricity Market

Expanding on the ideas and information presented on AlbertaPowerMarket.com, we are excited to release the "BLG Podcast: New Opportunities in the Alberta Electricity Market".

In this podcast, Kent Howie is joined by BLG partner [Alan Ross](#) to discuss industry trends, key developments, and legal issues present in Alberta's power market. The conversation also includes a look forward at what to expect in the coming months in this fast-moving industry.
