IRIS Software Group completes acquisition of Doc.It

On July 22, 2021, IRIS Software Group (IRIS), a leading global software provider of accountancy solutions, completed the acquisition of Doc.It, the industry-leading document management software provider for CPA firms across North America.

Founded in 2001, Doc.It's software solutions enable CPA firms to reduce administrative workloads and improve productivity, allowing accountants and tax professionals to focus on growing their firms and providing value-added services to customers.

BLG represented IRIS with a team led by Kyle Denomme that included Stefan Timms (Corporate Commercial), Jennifer Ponton and Haya Shebab (Intellectual Property), LuAnne Morrow (Intellectual Property and Software Licensing), Max Jarvie (Privacy), Denes Rothschild (Competition), Andrew Guerrisi and Justin Cuperfain (Commercial Real Estate), Rob Weir and David Perron (Labour and Employment).

BLG Team : Kyle Denomme, Stefan Timms, Jennifer Ponton, Haya Shehab, Denes A. Rothschild, Andrew Guerrisi, Justin Cuperfain, Robert Weir, David R. Perron, Max Jarvie
