Victoria is an articling student at BLG's Toronto office.

As a law student, Victoria worked as a caseworker for a community legal clinic, served as an editor for the Ottawa Law Review, and participated in moot court competitions. Before joining BLG, Victoria worked at a prominent criminal defence firm in Hamilton.

Victoria chose to work at BLG after speaking with students about their experiences at the firm and meeting many lawyers throughout the in-firm process. BLG's breadth of practice areas, supportive learning environment, and genuine people make it an ideal place to grow as a legal professional.

In Victoria's spare time, you can find her tuning a guitar, paddling a canoe, or savouring a good book.
