Ingersoll-Rand completes acquisition of Advanced Gas Technologies

On April 15, 2025, Ingersoll Rand announced it has acquired Advanced Gas Technologies, a custom designer and supplier of onsite gas generation systems, to further grow the company's air treatment portfolio.

BLG represented Ingersoll Rand with a team led by Stefan Timms and Vinay Desai, that included Marc Abdelsayed, Stephen Roumeliotis (Corporate/M&A); Kevin Bianchini and Francis Jacob (Tax); Brent Ruston and Jennifer Pryde (Commercial Real Estate); Shane Morganstein (Privacy & Data Security); Noah Burshtein (Labour & Employment).
