OBA Insolvency Law Program

Navigating the ins and outs of bankruptcy proceedings can be tricky and complex. Join our experienced faculty as they walk you through the process, from the commencement of a bankruptcy proceeding, to the issues that can arise during it, to discharges. The faculty will also discuss the various recovery alternatives to bankruptcy. Relevant and timely case law will be reviewed so that you are fully up to speed on what is happening in this area of the law. Hear from both practitioners and a member of the Bench for their insight on these matters.

Karen Perron will be speaking at 11:20 a.m. Click to view the full program agenda.
