One-Firm Philosophy

With more than 800 lawyers across Canada, we serve clients throughout North America, Europe, and Asia. Offering expertise in intellectual property, disputes and corporate transactional matters, our connectivity gives our clients the next-level service required to achieve success in complex and international matters.

Diversity & Inclusion

Diverse and inclusive teams drive today’s successful businesses. As Canada’s Law Firm, we champion diversity and inclusion in our workplace and in the wider legal community.

ESG@BLG

Our environmental, social and governance (ESG) approach involves all areas of our firm taking action to improve our ESG performance in order to live our core values and achieve our firm vision.

Media Centre

We are BLG: Canada’s Law Firm. Our culture is one of vigilance and curiosity, firm-wide collaboration, unfailing mutual respect and dedication. We pride ourselves on having standout talent and delivering an exceptional client experience.

Our professionals have negotiated groundbreaking deals, successfully settled landmark cases and published insightful articles and books. Our Media Centre highlights some of their work.

Fully bilingual across all practice areas and sectors, BLG excels in Canada's common and civil law systems. Our five offices operate in Canada's largest city centres. We offer our clients an established national presence and a global reach through our international network.

Outside our walls, we contribute to communities across Canada through our pro bono program, our BLG Reads to Kids literacy program, and supporting our members' charitable efforts through fundraising and volunteer initiatives.
