Nanotech Security Corp. announces \$90.8 million acquisition by Meta Materials Inc.

On August 5, 2021, Nanotech Security Corp. (TSXV: NTS) (OTCQX: NTSFF), a leader in the development of secure and visually memorable nano-optic security features used in the government banknote and brand protection markets, entered into an agreement with Meta Materials Inc. (NASDAQ: MMAT), a developer of high-performance functional materials and nanocomposites, pursuant to which META will indirectly acquire Nanotech by way of a plan of arrangement for \$1.25 per common share in an all-cash transaction valued at approximately \$90.8 million on a fully diluted basis. The transaction is expected to close in October.

BLG represented Nanotech with a team led by [Fred R. Pletcher](#) that included [Breanne Lehodey](#), [Connor MacLeod](#) (Securities), [Randy Morphy](#), [Kim Maguire](#) and [Danielle Lewchuk](#) (Tax).
