BLG is committed to supporting you with your Continuing Professional Development (CPD) needs. We are pleased to offer ongoing virtual sessions through the year to help you fulfill your 12 hours of required CPD.

Please join us as we kick off our 2025 In-House Counsel Series with a topic that's on everyone's mind right now: tariffs.

First, we will have Jake Cabott, a partner in our Commercial & Construction Disputes groups, and Hessam Mehrabi, an associate in our Disputes group speaking about how to navigate price review and Force Majeure Clauses amid tariff uncertainty.

Following that, Jeff Thomas will be providing a "tariffying" update on all the recent developments in the Canada-U.S. trade relationship and provide his prognostications on the future.

We hope you can join us! Please respond by May 27.
