Insurance Claim Defence
Products Law
Municipal Liability

Laura provides support to lawyers in the areas of insurance and liability litigation for a wide range of field-specific tasks, namely:

- drafting procedures
- handling the material organization of complex insurance litigation mandates
- performing research-related activities
- analyzing policy and investigation files in order to draft coverage analysis of legal opinions related to insurance for the types of claims commonly instituted in Québec

Laura can boast experience in managing legal operations for large-scale insurance clients, both domestic and international. She also has experience in construction litigation.
