Camilo is a construction lawyer representing contractors, subcontractors, engineers, consultants and bonding companies. He assists clients with complex litigation disputes, mediations, arbitrations and bond claims arising from any stage of the project life cycle.

Camilo is a professional engineer with seven years' experience in the energy and heavy industrial sectors. Working for a sophisticated construction company, Camilo managed large construction projects and gained technical experience and proficiency in labour, procurement, scheduling and estimating.

Camilo summered and articulated at BLG before joining as an associate.
