BLG Partner Recognized With Client Service All Star Honour

Toronto (March 29, 2018)

Borden Ladner Gervais LLP (BLG) is pleased to announce that Douglas Sanders has been named a 2018 BTI Client Service All-Star. This acknowledgement is a tribute to Mr. Sanders' dedication to his clients and to the Firm's ongoing commitment to excellence in client service.

Mr. Sanders is one of a select number of lawyers to be included in the list. The BTI Client Service All-Stars selections are based solely on client referrals and recommendations and recognizes those who have mastered the art of superior client service.

The standards for this recognition require an unparalleled ability to add real value to clients' business and innovation to drive client needs. Corporate Counsel single out each lawyer — by name in an unprompted manner — as delivering the absolute best client service. Clients are then asked to rate individual lawyers and law firms on the following criteria: superior client focus, client experience, legal skills, business understanding, value add-in and original thinking. Clients have the final say in the process.

As a leading lawyer practising primarily in the areas of Construction Law and Public Private Partnerships, Mr. Sanders focuses on large infrastructure projects and has worked on major projects in several Canadian provinces, and around the world. With a legal and engineering background, he has led and advised on many projects across industry sectors — in Canada, the US, Europe and Asia for public authorities, developers and design-builders.
