

# Managing Privacy in a Connected World

February 25, 2020

Data Protection and privacy issues are leading concerns for business leaders. Privacy breaches and cybersecurity incidents, the challenges posed by smart technologies and privacy-intrusive practices as well as the opportunities and risks of artificial intelligence are increasingly pressing topics. So too are issues around global compliance, digital consent, online reputation, targeted advertising and associated risks, such as class actions and regulatory investigations.

BLG's top-ranked <u>Cybersecurity</u>, <u>Privacy & Data Protection Group</u>, co-led by Éloïse Gratton and Elisa Henry, has authored a new book entitled <u>"Managing Privacy in a Connected World"</u> which provides expert analysis and practical guidance on these emerging topics to help your organization understand
