

BLG strengthens Corporate and Capital Markets Group with addition of partners Nicholas Nevins and Christian Vieira

Toronto (May 11, 2026) – Borden Ladner Gervais LLP (BLG) has welcomed [Nicholas Nevins](#) and [Christian Vieira](#) as partners in its Corporate and Capital Markets Group in Toronto. Their arrival enhances BLG's bench strength for large, complex transactions, bolstering the firm's ability to serve existing clients and compete for new high-value mandates across mergers and acquisitions, private equity and capital markets.

Nicholas and Christian bring significant transactional depth at a time when Canadian deal activity is at its most competitive. Prior to joining BLG, both practised at a leading national law firm, where they developed proven track records executing some of Canada's most sophisticated corporate mandates. Their arrival together signals a strategic addition to BLG's Corporate and Capital Markets Group.

"Nicholas and Christian are skilled transactional lawyers who can support our clients' most sophisticated deals from day one," said [Prema Thiele](#), national group head of BLG's Corporate and Capital Markets Group. "Bringing them on board together adds immediate, high-calibre depth to our M&A, private equity and capital markets practice. Their combined experience enhances our capacity to pursue large and complex mandates and deliver stronger outcomes for our clients. We're thrilled to welcome them."
