Eric is an associate in BLG's Intellectual Property group. Eric's practice focuses on trademark prosecution, patent prosecution and IP litigation. He assists clients in protecting their brands and in commercializing their innovations.

Eric has a technical background in microbiology, immunology and pathology, as well as experience working at an optical and telecom technology company.

Prior to becoming an associate, Eric was both a summer and articling student at BLG's Ottawa office. Eric is also a contributor to [Dead Cat Live Cat](#), a blog about quantum technologies from a legal and business perspective.
