Simrin is a 2025 articling student at BLG's Vancouver office.

Prior to attending Osgoode Hall Law School, Simrin participated in several experiential education programs including: the Osgoode Business Clinic and the Osgoode Venture Capital Clinic, where she provided small businesses and start-up ventures with legal advice and services.

In the summer of 2023, Simrin worked as a summer student at a professional regulatory body in B.C., investigating enforcement and compliance complaints.

Simrin chose to work at BLG because of the firm's wide range of practice areas and commitment to creating a supportive learning environment.

In her spare time, Simrin enjoys trying various fitness activities (swimming, running, pilates), watching comfort shows, event planning and travelling.
