Cybersecurity, Privacy & Data Protection
Compliance with Privacy & Data Protection
Data Mapping & Gap Analysis
Personal Health Information & Privacy
Privacy & Security Breaches
Privacy Impact Assessments (PIAs)

Cléa provides strategic advice to businesses and public bodies on a variety of issues related to compliance with applicable data protection laws, including:

- cross-border data transfers;
- privacy impact assessments (PIAs);
- data governance programs.

She also helps companies address legal issues related to information security and emerging technologies, such as artificial intelligence and biometrics.

Prior to joining BLG, Cléa completed a master's degree in Technology Law and was a research assistant at the International Observatory on the Societal Impacts of AI and Digital Technologies (OBVIA).
