Warren provides expertise to clients in the areas of securities and corporate law. Within his practice, he acts as counsel to companies, investment bankers and board special committees in corporate finance, mergers and acquisitions, and restructuring transactions.

His clients are involved in a wide variety of industry sectors, including biotechnology, e-business, financial services, forestry and mining. Warren also advises public corporations and their boards of directors, with an emphasis on:

- regulatory compliance
- corporate governance
- directors' duties and responsibilities
- transaction structuring

Additionally, Warren has extensive experience working with both private and public companies on the adoption of securities-based executive compensation plans.
