Parker is a summer student at BLG's Calgary office for the 2021 summer term. He will be assisting various groups in both disputes and corporate matters.

As a law student, Parker help lead ReNu Hygienics, a Manitoba-based soap recycling start-up, and sits on the City of Brandon's Poverty Committee. Before law school, Parker worked at one of Canada's leading wealth management companies as a personal financial planning assistant and led both the Enactus and World University Service of Canada chapters as President at Brandon University.

Parker chose BLG for its strong entrepreneurial initiative and reputation as a leader in emerging and growth-stage markets. In addition, his experience meeting with many members of the firm during the recruitment process solidified that he would be dealing with exciting work and would be doing it alongside experienced people.

In his spare time, Parker enjoys spending time with friends and family. His favourite activities include boat rides on the lake and golf.

Education

- Bachelor of Business Administration (Hon.s), Brandon University, 2019
