Victoria is a summer student at BLG's Toronto office for the 2026 summer term. She is focusing on Disputes.

As a law student at the University of Toronto, Victoria is a member of the Future of Law Lab, is involved in the Investor Protection Program, and serves as a JD Ambassador. She also received the First Place Oralist Award at the 2026 Torys Cup Moot. Prior to joining BLG, Victoria held internships at a cancer research institute, where she researched Canadian clinical trials, and at a major bank, where she worked as a Business Systems Analyst in cloud security.

Victoria was drawn to BLG because of the firm's supportive culture and commitment to student development. Throughout the interview process, she found every conversation thoughtful and engaging, and she appreciated the effort lawyers made to get to know her. She was especially struck by the breadth of their interests and experiences, both within and beyond the firm.

In her spare time, Victoria enjoys hiking, weightlifting, and exploring museums and historical sites.
