Marin is a summer student at BLG's Toronto office in the business group.

As a law student, Marin manages student-raised funding as VP Finance of the Student Legal Society, leads a mentorship program as President of Western Women in Law, and is a Research Assistant to a Professor.

Prior to joining BLG, Marin worked at a leading American Stock Exchange.

Marin chose to work at BLG because of the firm's strong sense of energy and collegiality. While participating in the BLG Client Consultation Competition, she connected with lawyers and summer students who showed that BLG is home to exceptional professionals who are also genuinely invested in supporting one another.

In her spare time, Marin is often found at the ballpark rooting for the Toronto Blue Jays. She also enjoys kayaking, photographing trips with friends, and trying new recipes.
