Stanis is an articling student at BLG's Toronto office.

During law school, Stanis acted as the President of Queen's Technology Law Club, served as a Student Ambassador, and worked as a Research Assistant for Conflict Analytics Lab, a global consortium on AI and dispute resolution. Stanis has also participated in a M&A negotiation competition, and volunteered with Queen's Venture Law Society, where he facilitated connections for law students within the start-up and innovative space.

Prior to joining BLG, Stanis has worked as a professional videographer for a boutique film company that specializes in wedding festivities and commercials. Being an avid sports fan, Stanis has also co-founded an outdoor basketball facility for community members seeking to stay fit.

Stanis was drawn to BLG because of the people. Throughout the recruitment process, everyone has been kind, supportive, and genuinely interested in the success of the students.

In Stanis' spare time, he enjoys working out, cheering on the Raptors, and exploring new restaurants in the city.
