

Franchise Disputes

With the rapid growth of franchising in Canada over the last 30 years, its importance to the economy has flourished and given rise to unique legal issues. Brand standards, system compliance, disclosure compliance and consistency of experience are critical to the reputation of a franchise system. We recognize that franchise disputes can cut to the very core of a franchise system, and unless dealt with effectively, can threaten the continued existence of a franchise system.

We have extensive experience advising and representing franchisors and franchisees in all types of franchise disputes. We seamlessly draw on the resources of our team in Vancouver, Calgary, Toronto, Ottawa and Montréal to implement innovative and strategic approaches. We are guided by our clients' objectives and work to solve their problems.

Our franchise litigation and dispute resolution services cover all issues facing the franchise sector, including:

- franchise default and termination
- restrictive covenants and non-competition clauses
- claims under provincial franchise legislation (British Columbia, Alberta, Manitoba, Ontario, New Brunswick and Prince Edward Island)
- breach of contract, breach of the duty of good faith and fair dealing, misrepresentation, fraud, negligence, unconscionability, duress, breach of fiduciary duty, conspiracy, defamation and claims under the *Competition Act* and the *Trade-marks Act*
- injunctions
- class-action defence
- mediation and arbitration
- summary judgment, summary trial and trial
- appeals

We also have significant experience in providing advice on dispute avoidance and risk management.

Our expertise and dedication to franchise law has been recognized by the foremost legal ranking directories (*Chambers*, *Benchmark Litigation*, *Best Lawyers*, *Lexpert* and *Acritas*), the Canadian Franchise Association (CFA) and most importantly, the clients we serve.
